**EVENT NOTICE:** On Saturday, September 27 from 10am -12pm, the Banff Ski Runners will host "On the Path to 2014", our first annual club roller skiing fundraiser. The event will kick off at 10am sharp at the Parking Lot adjacent to the roller skiing path on the 1A highway between Canmore and Harvie Heights. The skiers will be roller skiing the 10 km loop between the "Green hotel and the end of the 1A at the Mountain Gate Lodge.

Lafarge Canada, a major contributor to sports development in the Bow Valley, is supporting the Ski Runners with a pledge of \$3 for every kilometre skied to a specified maximum. They are challenging other sponsors in the Bow Valley to match their pledge! Any sponsor who contributes \$50 or more will receive a Banff Mountain Ekiden training shirt – now a collectors item!

Pledge forms are available at [www.banffskirunners.net](http://www.banffskirunners.net). and by calling 403 6783226 or emailing [ajlynn@shaw.ca](mailto:ajlynn@shaw.ca).

All skiers who want to participate are welcome! Any skier who skis more than 20km (2 laps) will receive an Ekiden training shirt.

We encourage sponsors to come out and cheer their skiers on. There will be coffee and muffins at the Parking Lot.

The Ski Runners is one of the top Cross Country Ski Clubs in Canada. Based in Canmore, we have, for the past five years, placed in the top five clubs at the Canadian National Championships with 50 medals won over the last five years. We have an active year round youth to master program led by head coach Anders Lenes.
